

Schools Website Activity Report

Visual dashboard | Reporting period: May 01, 2026 - May 28, 2026

Total schools
14
Included in this report

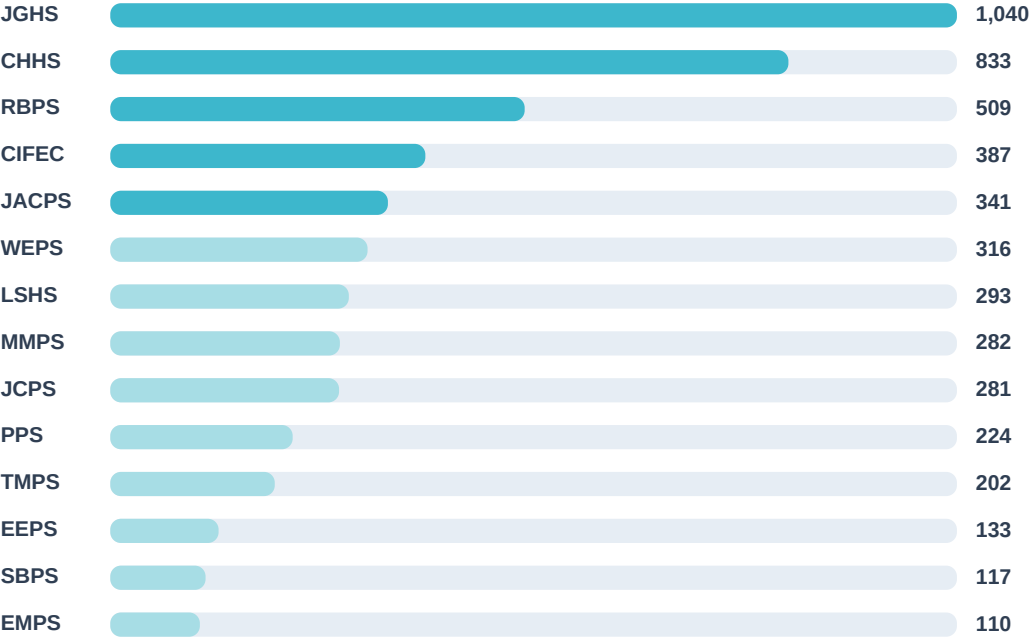

Total views
5,068
Highest: JGHS

Total clicks
0
Highest: JGHS

Avg. clicks / school
0
Engagement indicator

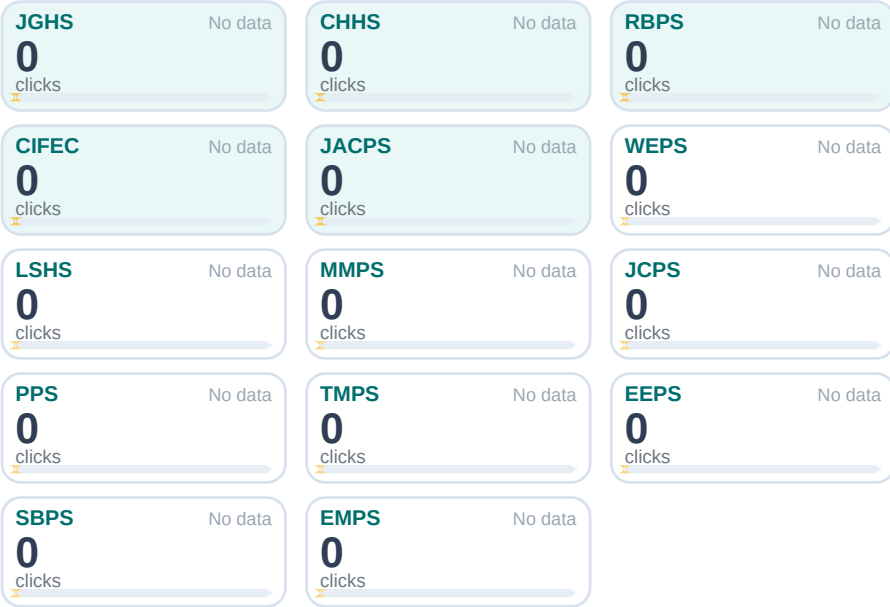

Visibility: views by school

Longer bars show stronger website visibility.

Engagement: clicks by school

Cards highlight click volume and growth for every school.

Key takeaways

1. JGHS leads views (1,040) and JGHS leads clicks (0).
2. Growth data is incomplete for some schools.
3. Several schools continue to show steady engagement trends.

School Scorecard View

One card per school, preserving the visual dashboard format.
